

PRODUCT catalog

Individual enterprise "Serdarly Watan" was founded in 2021.

The enterprise is located:

Turkmenistan, city of Mary, st. Agzybirlik, house 42A

The main activities of the company:

Production of ECO pellets, feed for cattle, polypropylene and polyethylene fabrics (rolls), bags and Big Bags.

Nothing prevents us from focusing on the most important thing for a manufacturing company - to meet the expectations of the client.

The young team of the company, the constant search for new solutions in the field of quality characteristics allows us to be interesting for our customers (partners).
